

## **Kurt “Knock Knock”**

Age: 50

Appearance: Blue collar style, jeans & button shirt, work boots, casual but not shabby

Personal info: Laid back, easy going, you can afford nicer clothes but prefer to stay casual. In the construction business, with a modestly successful company. Quite possibly could be wealthy by now, but you wanted to keep the company small and in the family. Overall a nice guy, but have the annoying habit of constantly telling jokes, whether people want to hear them or not. Knock knocks, puns, limericks, tall tales, blond, you name it, you’ve told it – at least twice.

Personal info: Busted for car theft at age 18. Stole one with a kid sleeping inside, so also charged with kidnapping, got 10 years in the slammer. You were recently released with 6 months off for good behavior. Still a car thief at heart – you like life in the fast lane, you see what you want, you grab it. Definitely an extrovert. You met Fiona in a bar 5-1/2 months ago. Instant attraction. You’ve been engaged for a month.

**SECRET:** Your Uncle Jack was your defense attorney when you were tried for car theft and kidnapping. You feel he could have done better. You’ve never forgiven him for not getting you off. You blame him for the loss of nearly 10 years of your life. You sent him hate mail from jail expressing these feelings.
